Dear Colleague:

Thank you for your interest in the Southern Arizona Veterinary Medical Association (SAVMA). Formed in 1983 as a non-profit professional society, SAVMA membership spans a variety of specialties in veterinary medicine. SAVMA's mission is *to strengthen the regional veterinary community and animal wellness through education, collaboration and leadership*. SAVMA promotes the interests of veterinary medicine and advances the cause of public health and the welfare of veterinary science in the State of Arizona.

**Continuing Education Programs** - SAVMA's primary goal is to provide excellent CE programs on current veterinary medical practices and the opportunity to fulfill your CE requirements locally. Open to the entire veterinary community, members (and their technicians), members enjoy preferred registration rates and receive announcements.

**Client Referral Service** - When the general public contacts SAVMA headquarters seeking a veterinarian, SAVMA provides the name, address, and phone number of a SAVMA member in their area.

**Job Referral Bank** - SAVMA operates a Job Referral Bank for use by members seeking work and is open to all employers seeking to fill job openings. This year, our goal is to offer this benefit through our convenient website.

SAVMA is affiliated with the American Veterinary Medical Association as well as the Arizona Veterinary Medical Association though dues are paid separately. SAVMA membership is offered to individuals on a calendar year basis. 2012 dues have been set at \$110.00 per person. To join, complete the membership application and submit it with dues payment. You can pay by check or by PayPal through our website.

Membership dues support the club by paying for meeting, operational and administrative expenses. CE program fees are charged separately for each meeting you attend and pay for your credit hours. Non-members may attend but do not enjoy the member rates. SAVMA does not sell its membership list but we make it available to members, speakers and sponsors on request.

We hope you will consider this invitation to become a part of Tucson's most active veterinary medical organization. I am sure you will find it to be a congenial group. Please contact us at (520) 326-5567 or by email at [savmaoffice@gmail.com](mailto:savmaoffice@gmail.com) if you have any questions.

Sincerely,

*Jane Coppola*
